INSTRUCTIONS

Please choose one of the scripts below that you feel is appropriate to your voice. The read is 30 seconds. Showcase your ability to create dark, thrilling suspense. Please send only the raw edited voice-over (no mistakes will be accepted). We will overlay your voice with the backing track for final production. Send your entry (WAV) to talent@voicescout.co.za

Joe Goldberg Script

You ever wonder what lies beneath the surface? Behind every smile, every kind gesture, there's a darkness waiting to be unleashed. It's the thrill of the hunt, the chase that keeps me going. You see, I'm not your average Joe.

I'm the one who sees through the façade, who knows your deepest desires before you even realise them yourself. But be warned, for in my world, there are no secrets. I'll unravel your every move, your every thought until you're left exposed, vulnerable.

So, go ahead, underestimate me. But remember, I'm always watching. And when you least expect it, I'll be there, waiting in the shadows. Because in the end, you can run, you can hide, but you'll never escape the gaze of your Not So Average Joe

_____ or _____

Love Quinn Script

Oh, darling, have you ever felt the rush of desire coursing through your veins? The thrill of temptation, like a forbidden fruit just within reach? That's what keeps life interesting, isn't it? I'm not your average girl, not by a long shot.

I'm the one who knows what she wants and isn't afraid to go after it. You see, I've always been drawn to the darker shades of passion, to the complexities that lie beneath the surface. But don't be fooled by my charm and grace. There's a wildness in me, a fire that burns bright and fierce. So, go ahead, try to resist.

But know that once you've tasted my sweet nectar, there's no turning back. I'll intoxicate you, captivate you, until you're utterly consumed by me. Because in the end, love is a game we all play. And I, my dear, always play to win.
